

WIN Lifestyle Collection

WIN's lifestyle hotel programme fulfils the needs of corporate travellers in senior management positions (CEOs and executives), VIPs and high-spend individuals who may have additional requirements when booking a trip whether for business, pleasure or a mixture of both.

The Lifestyle Collection:

Our carefully selected collection of lifestyle properties offers competitive rates with value-added benefits at hotels and resorts in the most desired locations, all of which are renowned for their impeccable service and for offering guests something out of the ordinary.

Combine this with the knowledge of our Local Experts, our in-country Partners who can offer bespoke professional services to ensure a seamless and memorable trip, and we have a programme that can cater to all requirements.

WIN's Lifestyle Collection provides access to discounted rates in higher than standard room categories at deluxe and boutique hotels globally, all offering:

- Breakfast and Wi-Fi included
- Where available, a room upgrade and early check-in and/or late check-out
- A complimentary local amenity or gift
